CHESAPEAKE MIDSTREAM PARTNERS, L.P. COMMENCES INITIAL PUBLIC OFFERING

OKLAHOMA CITY, OKLAHOMA, JULY 21, 2010 – Chesapeake Midstream Partners, L.P., a Delaware master limited partnership, announced today that it has commenced an initial public offering of 21,250,000 common units representing limited partner interests pursuant to a registration statement on Form S-1 previously filed with the Securities and Exchange Commission. The underwriters will be granted a 30-day over-allotment option to purchase up to 3,187,500 additional common units. The common units will be listed on the New York Stock Exchange and traded under the symbol “CHKM.”

CHKM is currently owned by a 50/50 joint venture between Chesapeake Energy Corporation (NYSE: CHK) and Global Infrastructure Partners.

The common units being offered to the public represent a 15.1% limited partner interest in CHKM, or 17.3% if the underwriters exercise, in full, their over-allotment option. Chesapeake Energy Corporation and Global Infrastructure Partners will each own a 41.45% limited partner interest in CHKM and will jointly own and control the general partner of CHKM. Any common units issued pursuant to the underwriters’ over-allotment option would result in a corresponding decrease in Global Infrastructure Partners’ ownership interest in CHKM. Any proceeds from such issuance would be distributed to Global Infrastructure Partners.

UBS Securities LLC, Citigroup Global Markets Inc. and Morgan Stanley & Co. Incorporated are acting as joint book-running managers for the offering. Merrill Lynch, Pierce, Fenner & Smith Incorporated, Barclays Capital Inc., Credit Suisse Securities (USA) LLC, Goldman, Sachs & Co. and Wells Fargo Securities, LLC are acting as joint book-running managers for the offering.
