

Global Infrastructure Partners Announces Two Senior Appointments

NEW YORK, NY, April 21, 2010 -- Global Infrastructure Partners (GIP), the independent \$5.64 billion infrastructure investment fund, today announced that Gary Pritchard has joined the firm as a Senior Operating Principal, and Susan Healy has joined the Firm to manage GIP's global fund raising and investor relations activities.

Gary Pritchard brings over 30 years of technical and managerial experience to GIP, most recently as head of SABIC Innovative Plastics' supply chain where he led over 5500 employees in the global manufacturing of a variety of engineered plastics. Previously, he accumulated over 26 years' experience at General Electric (GE) where he led GE Silicones' global manufacturing operations. Gary will be based at GIP's Operations Headquarters in Stamford, CT.

Susan Healy has over 15 years of private equity and investor relations experience including 13 years at The Carlyle Group where she was Department Head of Investor Relations Management. More recently, she was a senior member of Babcock & Brown's Capital Markets Group based in London. Susan has led numerous fund-raising initiatives, including developing marketing strategies, fund formation and on-going investor relations. She will be based in New York. Adebayo Ogunlesi, Chairman and Managing Partner of GIP, said "Gary is a world-class manager who will further strengthen our operational team. Susan has an outstanding record in investor relations and fund raising. We are delighted that they have joined our team and look forward to working with them."
