**Recommended cash acquisition
of
Signature Aviation plc ("Signature") by
GIP IV Hancock Bidco, L.P. ("Bidco")
a limited partnership controlled by Global Infrastructure Partners
to be implemented by means of a Scheme of Arrangement
under Part 26 of the Companies Act 2006**

Summary

- Further to the announcements by Signature on 17 and 21 December 2020 regarding proposals received by the Signature Directors, the Signature Directors and Bidco are pleased to announce that they have reached agreement on the terms of a recommended cash acquisition pursuant to which Bidco shall acquire the entire issued and to be issued ordinary share capital of Signature.
- Under the terms of the Acquisition, Signature Shareholders shall be entitled to receive:
 - **for each Signature Share, US\$5.50 in cash (the "Cash Offer").**
- The Acquisition values the entire issued and to be issued ordinary share capital of Signature at approximately US\$4,626 million and the GBP equivalent value of the Acquisition price based on the Announcement Exchange Rate, being 405 pence, represents a premium of approximately:
 - 51 per cent. to the Closing Price per Signature Share of 268 pence on 16 December 2020 (being the last Business Day prior to the commencement of the Offer Period);
 - 63 per cent. to the three-month volume weighted average price per Signature Share of 249 pence on 16 December 2020 (being the last Business Day prior to the commencement of the Offer Period);
 - 63 per cent. to the six-month volume weighted average price per Signature Share of 249 pence on 16 December 2020 (being the last Business Day prior to the commencement of the Offer Period); and
 - an enterprise value multiple of approximately 15.7x Signature's pre-IFRS 16 continuing group adjusted EBITDA for the year ended 31 December 2019.
- Bidco will procure that a facility will be made available under which Signature Shareholders will be able to elect (subject to the terms and conditions of the facility) to receive cash consideration in GBP (after deduction of any transaction or dealing costs associated with the conversion) at the applicable market exchange rate on the latest practicable date for fixing such rate prior to the relevant payment date. Further details of this facility and the election

by Signature Shareholders wishing to receive their cash consideration in GBP will be set out in the Scheme Document and the Form of Election. On the basis of the Announcement Exchange Rate, the cash consideration implies an equivalent value of 405 pence per Signature Share. For any Signature Shareholder electing to be paid their cash consideration in GBP, the amount per Signature Share received may, depending on the prevailing exchange rate, result in a payment below or above 405 pence per Signature Share.

- If, on or after the date of this announcement and prior to the Scheme becoming Effective, any dividend, distribution or other return of value is declared, made or paid by Signature, the Cash Offer shall be reduced accordingly. In such circumstances, Signature Shareholders would be entitled to retain any such dividend, distribution or other return of value declared, made or paid.

Background to and reasons for the Acquisition

- Following the disposal by Signature of Ontic in 2019, GIP has been following closely the development of the Signature business and the markets in which it operates.
- GIP believes that there are a number of features of the Signature business which make it attractive for an infrastructure investor with a strong and demonstrable operational capability. First, Signature benefits from scale as the owner of the largest network of fixed-base operator (“**FBO**”) bases in the US, the most significant global market for Business and General Aviation (“**B&GA**”). Further, Signature has leading positions at a number of the most important airports for B&GA and has a range of important customer relationships and contracts. Finally, the company has deep expertise operating in the B&GA segment which requires businesses to comply with regulatory and safety requirements, maintain operations within the available land footprint at airports, and undertake significant capital investment to establish and maintain a new base.
- GIP sees an attractive opportunity for Signature under Bidco ownership both through organic growth and targeted, bolt-on acquisitions. As an operationally focused investor, with significant experience in the transport sector, GIP intends to support Signature to develop a stronger and more customer-focused business.
- GIP recognises that the near-term outlook for the B&GA segment remains uncertain with conditions likely to remain subdued for some time. In the long term, Signature will face challenges from structural changes to the industry including an increasing focus on the environmental impacts of air travel. However, GIP believes that Signature, with its position as the owner of the largest network of FBO bases in the US, is well-positioned to help develop the industry’s response.
- Finally, GIP believes that the development of the Signature Group will be best served as a private business, with access to capital and the benefit of a long-term investment approach. This will allow it to continue to deliver on its strategic objectives whilst enabling it to respond to structural changes in its industry in the medium and long term.

Recommendation

- The Signature Directors, who have been so advised by J.P. Morgan Cazenove and Jefferies as to the financial terms of the Cash Offer, consider the terms of the Cash Offer to be fair and reasonable. In providing their financial advice to the Signature Directors, each of J.P. Morgan Cazenove and Jefferies have taken into account the commercial assessments of the Signature Directors. Jefferies is providing independent financial advice to the Signature Directors for the purposes of Rule 3 of the Takeover Code.

- Accordingly, the Signature Directors intend to recommend unanimously that Scheme Shareholders vote in favour of the Scheme at the Court Meeting and Signature Shareholders vote in favour of the resolutions to be proposed at the General Meeting (or, in the event that the Acquisition is implemented by way of a Takeover Offer, to accept or procure acceptance of such Takeover Offer), as the Signature Directors who hold Signature Shares have irrevocably undertaken to do (and in the case of their connected persons, to procure that such persons do) in respect of Signature Shares that they (and their connected persons) beneficially hold, which amount in aggregate to 720,356 Signature Shares representing, in aggregate, approximately 0.09 per cent. of Signature's issued ordinary share capital as at the close of business on 8 January 2021 (being the last Business Day prior to the date of this announcement).

Directors' irrevocable undertakings

- Bidco has received support for the Acquisition in the form of irrevocable undertakings from each of the Signature Directors who hold Signature Shares, who are together interested in a total of 720,356 Signature Shares, representing, in aggregate, approximately 0.09 per cent. of Signature ordinary share capital in issue on 8 January 2021 (being the last Business Day prior to the date of this announcement).
- Further details of these irrevocable undertakings (including the circumstances in which they may lapse) are set out in Appendix III to this announcement.

Comments on the Acquisition

- **Commenting on the Acquisition, Sir Nigel Rudd, Chair of Signature, said:**

"Over recent years, the management of Signature has created a leading global private aviation support services business, whilst streamlining the group to maximise value for shareholders. The resilient performance and strong financial position through the pandemic has enabled the Signature Directors to consider its future and evaluate this offer from a position of strength.

We believe that the offer from GIP represents an attractive and certain value in cash today for Signature Shareholders, reflecting the high quality of the business and its network, its people and its future prospects. The Signature Directors believe that the proposal provides clear benefits to Signature Shareholders and GIP's operational and financial resources will generate enhanced opportunities for our employees, and ensure continued high-quality, full-service flight support for B&GA travel."

- **Commenting on the Acquisition, Adebayo Ogunlesi, the Chairman and Managing Partner of GIP, said:**

"We believe that our firm offer is both strategically compelling and financially attractive for all shareholders.

Signature, like many businesses in the aviation sector, needs to address the challenges resulting from COVID, whilst market conditions and earnings are likely to remain subdued for some time. As an experienced, long term infrastructure investor with a strong operational focus, we believe that we are the ideal partner for Signature going forward.

We plan to put customer service, operational consistency and growth at the heart of our strategy supported by plans to continue to improve employee engagement and through targeted investment. As with all our portfolio businesses, we are mindful of our responsibilities to all stakeholders and believe that Signature can innovate and evolve as

both it, and the aviation industry more generally, delivers on their commitments to climate change.”

Additional information for US investors

The Acquisition relates to shares of an English incorporated company and is proposed to be effected by means of a scheme of arrangement under the laws of England and Wales. A transaction effected by means of a scheme of arrangement is not subject to the tender offer rules or the proxy solicitation rules under the US Securities Exchange Act of 1934 (the "US Exchange Act").

Accordingly, the Acquisition is subject to the disclosure and procedural requirements applicable in the United Kingdom to schemes of arrangement which differ from the disclosure requirements of the United States tender offer and proxy solicitation rules.

However, if Bidco were to elect to implement the Acquisition by means of a Takeover Offer, such Takeover Offer would be made in compliance with all applicable United States laws and regulations, including any applicable exemptions under the US Exchange Act. Such a Takeover Offer would be made in the United States by Bidco and no one else.

In the event that the Acquisition is implemented by way of a Takeover Offer, in accordance with normal United Kingdom practice, Bidco or its nominees, or its brokers (acting as agents), may from time to time make certain purchases of, or arrangements to purchase, shares or other securities of Signature outside of the US, other than pursuant to such Takeover Offer, during the period in which such Takeover Offer would remain open for acceptances. These purchases may occur either in the open market at prevailing prices or in private transactions at negotiated prices. Any information about such purchases or arrangements to purchase shall be disclosed as required in the UK, shall be reported to a Regulatory Information Service and shall be available on the London Stock Exchange website at www.londonstockexchange.com.

The receipt of consideration by a US holder for the transfer of its Signature Shares pursuant to the Scheme shall be a taxable transaction for United States federal income tax purposes. Each Signature Shareholder is urged to consult their independent professional adviser immediately

regarding the tax consequences of the Acquisition applicable to them, including under applicable United States state and local, as well as overseas and other, tax laws.

Financial information relating to Signature included in this announcement and the Scheme Document has been or shall have been prepared in accordance with accounting standards applicable in the United Kingdom and may not be comparable to the financial information of US companies or companies whose financial statements are prepared in accordance with generally accepted accounting principles in the United States.

Signature is organised under the laws of England and Wales and Bidco is organised under the laws of Delaware. Some or all of the officers and directors of Bidco and Signature, respectively, are residents of countries other than the United States. In addition, some of the assets of Bidco and Signature are located outside the United States. As a result, it may be difficult for US shareholders of Signature to effect service of process within the United States upon Bidco or Signature or their respective officers or directors or to enforce against them a judgment of a US court predicated upon the securities laws of the United Kingdom.

Forward looking statements

This announcement (including information incorporated by reference in this announcement), oral statements made regarding the Acquisition, and other information published by Signature, Bidco, any member of the Signature Group, any member of GIP or any member of the Bidco Group contain statements which are, or may be deemed to be, "forward looking statements". Such forward looking statements are prospective in nature and are not based on historical facts, but rather on current expectations and on numerous assumptions regarding the business strategies and the environment in which Signature, Bidco, any member of the Signature Group or any member of the Bidco Group shall operate in the future and are subject to risks and uncertainties that could cause actual results to differ materially from those expressed or implied by those statements.

The forward looking statements contained in this announcement include statements relating to Bidco, Signature or any member of the Bidco Group's, or any member of the Signature Group's, future prospects, developments and business strategies, the expected timing and scope of the Acquisition and other statements other than historical facts. In some cases, these forward looking statements can be identified by the use of forward looking terminology, including the terms "anticipates", "believes", "estimates", "will look to", "would look to", "plans", "prepares", "anticipates", "expects", "is expected to", "is subject to", "budget", "scheduled", "forecasts", "synergy", "strategy", "goal", "cost-saving", "projects" "intends", "may", "might", "could", "will", "would", "shall" or "should" or their negatives or other variations or comparable terminology. Forward looking statements may include statements relating to the following: (i) future capital expenditures, expenses, revenues, earnings, synergies, economic performance, indebtedness, financial condition, dividend policy, losses and future prospects; (ii) business and management strategies and the expansion and growth of Bidco's, Signature's, any member of the Bidco Group's or any member of Signature Group's operations and potential synergies resulting from the Acquisition; and (iii) the effects of global economic conditions and governmental regulation on Bidco's, Signature's, any member of the Bidco Group's or any member of the Signature Group's business.

By their nature, forward-looking statements involve risk and uncertainty because they relate to events and depend on circumstances that will occur in the future. These events and circumstances include, but are not limited to: the ability to complete the Acquisition; the ability to obtain requisite regulatory and shareholder approvals and the satisfaction of other Conditions on the proposed terms and schedule; changes in the global political, economic, business and competitive environments and in market and regulatory forces; future exchange and interest rates; changes in tax rates; and

future business combinations or disposals. If any one or more of these risks or uncertainties materialises or if any one or more of the assumptions proves incorrect, actual results may differ materially from those expected, estimated or projected. Such forward looking statements should therefore be construed in the light of such factors.

Neither Signature, or any member of the Signature Group, nor Bidco, or any member of the Bidco Group, nor any of their respective associates or directors, officers or advisers, provides any representation, assurance or guarantee that the occurrence of the events expressed or implied in any forward-looking statements in this announcement shall actually occur. Given these risks and uncertainties, potential investors should not place any reliance on forward looking statements.

Specifically, statements of estimated cost savings and synergies related to future actions and circumstances which, by their nature, involve risks, uncertainties and contingencies. As a result, the cost savings and synergies referred to may not be achieved, may be achieved later or sooner than estimated, or those achieved could be materially different from those estimated. Due to the scale of the Signature Group, there may be additional changes to the Signature Group's operations. As a result, and given the fact that the changes relate to the future, the resulting cost synergies may be materially greater or less than those estimated.

The forward-looking statements speak only at the date of this announcement. All subsequent oral or written forward-looking statements attributable to any member of the Bidco Group or Signature Group, or any of their respective associates, directors, officers, employees or advisers, are expressly qualified in their entirety by the cautionary statement above.

Signature, Bidco, the Signature Group and the Bidco Group expressly disclaim any obligation to update such statements other than as required by law or by the rules of any competent regulatory authority, whether as a result of new information, future events or otherwise.

No profit forecasts or estimates

No statement in this announcement is intended as a profit forecast or estimate for any period and no statement in this announcement should be interpreted to mean that earnings or earnings per share for Bidco or Signature, as appropriate, for the current or future financial years would necessarily match or exceed the historical published earnings or earnings per share for Bidco or Signature, as appropriate.

Disclosure requirements of the Takeover Code

Under Rule 8.3(a) of the Takeover Code, any person who is interested in 1 per cent. or more of any class of relevant securities of an offeree company or of any securities exchange offeror (being any offeror other than an offeror in respect of which it has been announced that its offer is, or is likely to be, solely in cash) must make an Opening Position Disclosure following the commencement of the offer period and, if later, following the announcement in which any securities exchange offeror is first identified. An Opening Position Disclosure must contain details of the person's interests and short positions in, and rights to subscribe for, any relevant securities of each of (i) the offeree company and (ii) any securities exchange offeror(s). Relevant persons who deal in the relevant securities of the offeree company or of a securities exchange offeror prior to the deadline for making an Opening Position Disclosure must instead make a Dealing Disclosure.

Under Rule 8.3(b) of the Takeover Code, any person who is, or becomes, interested in 1 per cent. or more of any class of relevant securities of the offeree company or of any securities exchange offeror must make a Dealing Disclosure if the person deals in any relevant securities of the offeree company or of any securities exchange offeror. A Dealing Disclosure must contain details of the dealing concerned and of the person's interests and short positions in, and rights to subscribe for, any relevant securities of each of (i) the offeree company and (ii) any securities exchange offeror, save to the extent that these details have previously been disclosed under Rule 8. A Dealing Disclosure by a person to whom Rule 8.3(b) applies must be made by no later than 3.30 pm (London time) on the Business Day following the date of the relevant dealing.

If two or more persons act together pursuant to an agreement or understanding, whether formal or informal, to acquire or control an interest in relevant securities of an offeree company or a securities exchange offeror, they will be deemed to be a single person for the purpose of Rule 8.3.

Opening Position Disclosures must also be made by the offeree company and by any offeror and Dealing Disclosures must also be made by the offeree company, by any offeror and by any persons acting in concert with any of them (see Rules 8.1, 8.2 and 8.4).

Details of the offeree and offeror companies in respect of whose relevant securities Opening Position Disclosures and Dealing Disclosures must be made can be found in the Disclosure Table on the Panel's website at <http://www.thetakeoverpanel.org.uk>, including details of the number of relevant securities in issue, when the offer period commenced and when any offeror was first identified. of
Signature Aviation plc ("Signature")
by
GIP IV Hancock Bidco, L.P. ("Bidco")

1 Introduction

Bidco and the Signature Directors are pleased to announce that they have reached agreement on the terms of a recommended cash acquisition pursuant to which Bidco shall acquire the entire issued and to be issued ordinary share capital of Signature (the "**Acquisition**").

Further details of this facility and the election by Signature Shareholders wishing to receive their cash consideration in GBP will be set out in the Scheme Document and the Form of Election. On the basis of the Announcement Exchange Rate, the cash consideration implies an equivalent value of 405 pence per Signature Share. For any Signature Shareholder electing to be paid their cash consideration in GBP, the amount per Signature Share received may, depending on the prevailing exchange rate, result in a payment below or above 405 pence per Signature Share.

If, on or after the date of this announcement and prior to the Scheme becoming Effective, any dividend, distribution or other return of value is declared, made or paid by Signature, the Cash Offer shall be reduced accordingly. In such circumstances, Signature Shareholders would be entitled to retain any such dividend, distribution or other return of value declared, made or paid.

The Scheme Document, containing further information about the Acquisition and notices of the Court Meeting and the General Meeting, together with an indicative timetable for implementation of the Scheme, will be published as soon as reasonably practicable and, in any event (save with the consent of the Panel) within 28 days of this announcement.

3 Background to and reasons for the Acquisition

Following the disposal by Signature of Ontic in 2019, GIP has been following closely the development of the Signature business and the markets in which it operates.

GIP believes that there are a number of features of the Signature business which make it attractive for an infrastructure investor with a strong and demonstrable operational capability. First, Signature benefits from scale as the owner of the largest network of fixed-base operator FBO bases in the US, the most significant global market for B&GA. Further, Signature has leading positions at a number of the most important airports for B&GA and has a range of important customer relationships and contracts. Finally, the company has deep expertise operating in the B&GA segment which requires businesses to comply with regulatory and safety requirements, maintain operations within the available land footprint at airports, and undertake significant capital investment to establish and maintain a new base.

GIP sees an attractive opportunity for Signature under Bidco ownership both through organic growth and targeted, bolt-on acquisitions. As an operationally focused investor, with significant experience in the transport sector, GIP intends to support Signature to develop a stronger and more customer-focused business.

GIP recognises that the near-term outlook for the B&GA segment remains uncertain with conditions likely to remain subdued for some time. In the long term, Signature will face challenges from structural changes to the industry including an increasing focus on the environmental impacts of air travel. However, GIP believes that Signature, with its position as the owner of the largest network of FBO bases in the US, is well-positioned to help develop the industry's response.

Finally, GIP believes that the development of the Signature Group will be best served as a private business, with access to capital and the benefit of a long-term investment approach.

This will allow it to continue to deliver on its strategic objectives whilst enabling it to respond to structural changes in its industry in the medium and long term.

4 Recommendation

The Signature Directors, who have been so advised by J.P. Morgan Cazenove and Jefferies as to the financial terms of the Cash Offer, consider the terms of the Cash Offer to be fair and reasonable. In providing their financial advice to the Signature Directors, each of J.P. Morgan Cazenove and Jefferies have taken into account the commercial assessments of the Signature Directors. Jefferies is providing independent financial advice to the Signature Directors for the purposes of Rule 3 of the Takeover Code.

Accordingly, the Signature Directors intend to recommend unanimously that Scheme Shareholders vote in favour of the Scheme at the Court Meeting and Signature Shareholders vote in favour of the resolutions to be proposed at the General Meeting (or, in the event that the Acquisition is implemented by way of a Takeover Offer, to accept or procure acceptance of such Takeover Offer), as the Signature Directors who hold Signature Shares have irrevocably undertaken to do (and in the case of their connected persons, to procure that such persons do) in respect of Signature Shares that they (and their connected persons) beneficially hold, which amount in aggregate to 720,356 Signature Shares representing, in aggregate, approximately 0.09 per cent. of Signature's issued ordinary share capital as at the close of business on 8 January 2021 (being the last Business Day prior to the date of this announcement).

5 Background to and reasons for the recommendation

Signature is a leading global FBO network for B&GA travellers. Signature has continued to transform the FBO industry, having grown from operating 115 FBOs in 2012 to a leading global network of 374 locations today. Throughout this period Signature has also leveraged its network to expand its customer offering, including non-fuel flight related services and additional on-ground customer offerings. Whilst growing and anticipating the evolving needs of its demanding clients, Signature has continued to hold itself to the highest standards of governance and responsible business, including across health and safety, employees and the environment.

Signature has a proven track record of significant shareholder value creation, delivered through a disciplined approach to capital allocation. This was demonstrated through the sale of Ontic in November 2019 for effective proceeds of \$1.3 billion, \$835 million of which was returned to shareholders. Signature is also in the process of disposing of its engine repair and overhaul business to focus solely on its market-leading Signature business.

The Signature Directors are fully confident in Signature's market leading FBO model and believe Signature's strategy of growing this business should continue to generate significant value for Signature Shareholders. The Signature Group remains well positioned, especially with its market-leading footprint in the US at the majority of key B&GA airports and in key European cities, and, despite the severe impact of the pandemic on revenue and profits, has remained resilient and continued to invest in the expansion of the business whilst taking cost actions to align the cost base with flying activity where possible. In recent months flying activity across the Signature network in the US has stabilised at around 80% of prior year levels. The Signature Directors have therefore considered the future of the Signature Group and GIP's approach from a position of strength.

The Cash Offer of \$5.50 followed the Signature Directors having received in total five separate proposals from GIP and having had a number of discussions since June 2020.

Following careful consideration, the Signature Directors have concluded that the Cash Offer and the terms of the Acquisition recognise the strength of Signature's business and its prospects, whilst providing Signature Shareholders with the opportunity to crystallise the value of their holdings today, as well as realise in cash possible future value creation through the significant premium to the undisturbed share price.

In considering the terms of the Acquisition, the Signature Directors have taken into account a number of factors, including:

- the opportunity for Signature Shareholders to realise their investment for cash at a fair and reasonable value;
- a premium of approximately 51 per cent. to the Closing Price per Signature Share of 268 pence on 16 December 2020 (being the last Business Day prior to the commencement of the Offer Period);
- 63 per cent. to the three-month volume weighted average price per Signature Share of 249 pence on 16 December 2020 (being the last Business Day prior to the commencement of the Offer Period);
- a premium of approximately 63 per cent. to the six-month volume weighted average price per Signature Share of 249 pence on 16 December 2020 (being the last Business Day prior to the commencement of the Offer Period);
- an enterprise value multiple of approximately 15.7x Signature's pre-IFRS 16 continuing group adjusted EBITDA for the year ended 31 December 2019; and
- a value of \$4,626 million for the entire issued and to be issued ordinary share capital of Signature.

The Signature Directors have also taken into account Bidco's intentions for the business, management, employees and other stakeholders of Signature. In particular the Signature Directors note the great importance and value attached by Bidco to the skills, experience and commitment of the management and employees of Signature, particularly as they have successfully navigated the Covid-19 pandemic to date.

Accordingly, following careful consideration of the above factors, the Signature Directors believe that Signature Shareholders should have the opportunity to approve the Acquisition, as the Signature Directors intend to do so in respect of their Signature Shares, and unanimously recommend the Cash Offer to Signature Shareholders.

6 Directors' irrevocable undertakings

Bidco has received irrevocable undertakings from each of the Signature Directors who hold Signature Shares to vote (and in the case of their connected persons, to procure that such persons vote) in favour of the Scheme at the Court Meeting and the resolutions to be proposed at the General Meeting (or, in the event that the Acquisition is implemented by way of a Takeover Offer, to accept or procure acceptance of the Takeover Offer), in respect of Signature Shares that they (and their connected persons) beneficially hold which amount in aggregate to 720,356 Signature Shares, representing, in aggregate, approximately 0.09 per cent. of Signature issued ordinary share capital as at close of business on 8 January 2021 (being the last Business Day prior to the date of this announcement).

Further details of these irrevocable undertakings (including the circumstances in which they may lapse) are set out in Appendix III to this announcement.

7 Strategy, Signature Directors, management, employees, research and development and locations

Bidco's strategic plans for Signature

GIP believes that there are a number of features of the Signature business which make it attractive for an infrastructure owner with a strong and demonstrable operational capability.

Bidco recognises value in the themes identified in Signature's Strategic Flight Plan and has discussed these with Signature management. Bidco intends to dedicate additional resource to Signature in order to accelerate implementation of change.

(1) Excellent customer service and loyalty, first with a focus on understanding the customer's requirements and second, by delivery of a consistently high level of service which exceeds the customer's expectations. Bidco expects customer experience to be at the core of its strategy and a significant focus for Signature under Bidco ownership. Bidco will seek to further improve the service quality through a broader range of services including enhancing and increasing network assets.

(2) Operational efficiency and process improvement, ensuring an efficient and technology-enabled organisation to deliver best in class customer service whilst seeking to optimise processes and productivity in a safe and sustainable environment. Bidco will support Signature by leveraging GIP's expertise as an operationally focused investor with substantial experience in the transport sector, including past and present ownership of several airports and other transport assets.

(3) Positive employee experience, ensuring Signature is a workplace where employees want to work and thrive in order to deliver excellent service to customers. Bidco will support management's efforts to attract the best talent, reduce employee turnover and promote inclusion and diversity.

(4) Innovation, supporting Signature in developing new services and attracting new customer segments as the industry develops and responds to market changes. Bidco will seek to continue to broaden the range of non-fuel service offerings and support selective growth into new bases. Bidco sees several opportunities to enhance the non-fuel revenue stream. There are also new services which Signature has started to develop and that Bidco expects to continue to develop including the customer loyalty programmes.

(5) Environmental and social responsibility leadership, by reducing Signature's carbon footprint to a net-zero position and taking a leadership role in the B&GA market on industry carbon and environmental projects including sustainable aviation fuel.

Bidco and GIP with its team of operating professionals plan to work closely with Signature's management to support the business in its growth under GIP's ownership. As discussed above, Bidco expects to put the customer at the core of its plans and improve the quality and consistency of customer service.

Bidco recognises the challenges Signature continues to face from the effects of the COVID-19 pandemic with the pace of economic recovery unclear. Longer term, Bidco believes Signature will need to adapt to structural changes in the B&GA industry including responses to a greater focus by society on the environmental impact of private air travel and changes

in ways of working. Bidco believes that Signature will be better suited to address these challenges in a private company environment, allowing Signature to focus on the long-term strength of the business.

Recognising the limitations of due diligence within a public company context, in conjunction with the reduced opportunity to meet with management or visit locations due to COVID-19 related restrictions, Bidco has not fully formulated its detailed strategy for Signature. Following the Acquisition, Bidco intends to complete a full evaluation of Signature and its operations in order to determine how its short- and long-term objectives can be best delivered. Bidco expects that this review will be completed within approximately twelve months from the Effective Date. The review will include:

- Reviewing Signature's existing strategy, its markets, customers, procurement, service offerings and delivery;
- Assessing the opportunity within each part of the business to enhance the efficiency of business processes and structure; and
- Assessing potential investment that will support Signature's growth ambitions and overall strategy.

The outcomes of the review could include investment in people, assets and tools to grow the business, as well as efficiencies in operations, to ensure Signature is operating in line with industry best practice, and in headquarters and plc-related functions. Aside from the removal of a limited number of central corporate and support functions, including plc-related functions and the closure of the London office, Bidco has not yet formulated a detailed assessment of the expected impacts of the review.

Employees and Management

Bidco attaches great importance and value to the skills, experience and commitment of the management and employees of Signature.

As part of the post-Acquisition evaluation referred to above, Bidco intends to carry out a review of Signature's organisational structure and headquarters functions. This review may lead to changes in the location of headquarters functions, reflecting the significance of the operations in North America within Signature's business. In addition, in order to provide support and assistance to Signature in the performance and development of its strategy, Bidco expects to involve individuals from its operating team to provide additional experience at a senior level.

When Signature ceases to be a listed company, a limited number of central corporate and support functions, including plc-related functions, will no longer be necessary and therefore reduced in scope. Bidco has not yet developed proposals as to how any such headcount reductions will be implemented but intends to discuss with Signature's management how individuals in affected roles may be reassigned to other appropriate roles within Signature prior to or with effect from the Scheme becoming Effective. In addition, Bidco expects to conduct a review of the efficiency of Signature's business operations and structure post-Acquisition, the conclusions of which could include a reallocation or reduction in headcount. Bidco confirms its intention is for any individuals impacted to be treated in a manner consistent with existing terms and conditions and with Signature's standards and culture.

The non-executive directors of Signature intend to resign as directors of Signature with effect from the Scheme becoming Effective.

Existing employment rights and pensions

Bidco intends to fully safeguard the existing employment rights of the management and employees of Signature, including in relation to pensions, in accordance with applicable law and, save as set out above, does not envisage any material change in the conditions of employment of the management and employees of Signature and its group companies or in the balance of their skills and functions.

Management incentivisation arrangements

Bidco has not entered into, and has not had any discussions on any form of incentivisation or other arrangements with members of Signature's management. It is the intention to put in place appropriate incentivisation arrangements following completion of the Acquisition.

Pensions

Signature sponsors defined benefit pension schemes in the UK (the "**UK Plan**") and the US (the "**US Plan**"), with a small combined net IAS19 deficit position of \$46.9m as at 30 June 2020, and in Switzerland (the "**Swiss Plan**"). Signature's main obligations are in respect of the UK Plan, which is closed to new members and was closed for future accrual of benefits on 31 May 2016. Bidco does not intend to re-open the UK Plan. A significant portion of pensioner liabilities are insured by the UK Plan through an annuity policy provided by Legal and General plc. Following the sale of Ontic in 2019, Signature committed to make annual deficit reduction contributions to the UK Plan of £2.7m until March 2030 (alongside a £30m one-off payment which has already been made). The US Plan is also closed to new members and future accruals. Bidco does not intend to re-open the US Plan. As required by US law, Signature will make contribution payments to the US Plan that are in excess of the minimum required contribution amounts. Bidco intends that, following completion of the Acquisition, it will continue to comply with Signature's defined benefit pension obligations, including annual deficit repair contributions, as they are required in respect of the UK Plan and the US Plan and to work constructively with the UK Plan and US Plan trustees. Signature contributes to the Swiss Plan as required by Swiss law. The Swiss Plan is open to future accrual and new members. Bidco does not intend to make changes to the Swiss Plan. Bidco also intends that, following completion of the Acquisition, it will continue to pay any contributions that may be required in respect of the Swiss Plan, including under any current arrangements for annual deficit repair contributions, and to work constructively with the Swiss Plan foundation.

Headquarters, Locations, Fixed Assets and Research and Development

Following the Scheme becoming Effective, Bidco intends that Signature will operate as a standalone group.

As stated above, Bidco intends to undertake a review of Signature's existing organisational structure and headquarters functions following the Acquisition. Consistent with Signature's existing plans, it is expected that the Signature Group head office in Mayfair, London, with its lease expiring in 2022, will be closed. Following such closure, Bidco intends to transfer remaining Signature Group headquarter functions to North America, which contributed approximately 88% of Signature Group's revenue in 2019. This and any other changes arising from the review will be subject to any required consultation with employees and/or their representatives.

Signature has identified the engine repair and overhaul business as non-core and has an ongoing process to pursue the divestment of this business. Bidco is supportive of this initiative.

Save as described above, Bidco has no intention to change the places of Signature's business, redeploy the fixed assets of Signature and, to Bidco's knowledge, Signature has no research and development function.

Trading Facilities

Signature is currently listed on the Official List and, prior to the Scheme becoming Effective, it is intended that a request shall be made to the London Stock Exchange to cancel trading in Signature Shares and Signature Preference Shares and to the Financial Conduct Authority to cancel the listing of Signature from the Official List and re-register it as a private company.

No statements in this paragraph constitute "post-offer undertakings" for the purposes of Rule 19.5 of the Takeover Code.

8 Information on GIP

GIP is one of the world's leading independent infrastructure investors. GIP currently has approximately \$71 billion of assets under management and is focused on the transport, energy, waste and water sectors. GIP IV is a \$22 billion global fund which reached final close in December 2019. GIP's clients are a diverse range of pension funds, sovereign wealth funds and other investors. GIP's portfolio companies have annual revenues of approximately \$41 billion and employ approximately 58,000 people.

GIP has a dedicated Operating Team of 35 professionals. These individuals bring a wealth of knowledge, hands-on expertise, and industrial best practices to GIP's portfolio companies and their management. One of GIP's key objectives is to make operational improvements to portfolio companies that will endure long after its ownership ends.

GIP is headquartered in New York, with offices in London, Stamford (Connecticut), Sydney, Melbourne, Brisbane, Mumbai, Delhi, Singapore and Hong Kong.

Bidco is a newly formed Delaware limited partnership which is indirectly wholly owned and controlled by GIP. Bidco has not traded prior to the date of this announcement nor has it entered into any obligation other than in connection with the Acquisition.

9 Information on Signature

Signature is a leading, global FBO network for B&GA travellers and provides premium, full-service flight support, including fuel and non-fuel services, ground handling and technical support for passengers, crew and aircraft. Signature serves customers at 374 FBO locations covering key markets in North America, Europe, South America, the Caribbean, Africa and Asia. Following the sale of Ontic on 1 November 2019 and with the ongoing process to sell its ERO business, the Signature Board elected to rename the group from BBA Aviation plc to Signature to better align it with its most significant brand in its core market.

Complementary to the core Signature Flight Support FBO business, Signature also comprises EPIC and TECHNICAir. EPIC provides fuel and fuel related services at FBOs across North America including fuel purchasing cards and transaction processing. TECHNICAir provides aircraft maintenance, repair and overhaul with locations throughout the US and Europe, specialising in small to mid-size, turbine-powered business aircraft.

Signature is listed on the London Stock Exchange with a market capitalisation of £2.22 billion as of 16 December 2020 (being the last Business Day before the commencement of the

Offer Period). For the year ended 31 December 2019, Signature reported revenue of \$2,261 million.

10 Signature Share Plans

Participants in the Signature Share Plans will receive a separate communication explaining the effect of the Acquisition on their rights under these Signature Share Plans and, where relevant, providing further details concerning the proposals which will be made to them in due course. Details of the impact of the Scheme on each of the Signature Share Plans and the proposals will be set out in the Scheme Document.

11 Financing

The cash consideration payable under the Acquisition is being financed by funds to be invested indirectly by GIP IV. In connection with the financing of Bidco, GIP IV has entered into the Equity Commitment Letter.

UBS, financial adviser to GIP and Bidco, is satisfied that sufficient resources are available to Bidco to enable it to satisfy, in full, the cash consideration payable to Signature Shareholders under the terms of the Acquisition.

12 Offer-related arrangements

Confidentiality Agreement

Signature entered into a confidentiality agreement with GIM on 22 December 2020 (the "**Confidentiality Agreement**"), pursuant to which GIM has undertaken to (i) keep confidential information relating to Signature confidential and not to disclose it to third parties (other than certain permitted parties) other than as required by law or regulation; and (ii) use the confidential information only for the purposes of the Acquisition.

The confidentiality obligations contained in the Confidentiality Agreement shall remain in force for a period of 24 months from the date of the Confidentiality Agreement.

The Confidentiality Agreement also includes customary non-solicitation obligations on GIM and certain of their authorised recipients under the Confidentiality Agreement.

Joint Defence Agreement

Signature, GIM and their respective external legal counsels entered into a confidentiality and joint defence agreement (the "**Joint Defence Agreement**") dated 5 January 2021, the purpose of which is to ensure that the exchange or disclosure of certain materials relating to the parties only takes place between their respective external legal counsels and external experts, and does not diminish in any way the confidentiality of such materials and does not result in a waiver of privilege, right or immunity that might otherwise be available.

Co-operation Agreement

Pursuant to a cooperation agreement (the "**Cooperation Agreement**"), Bidco and Signature have, amongst other things, each agreed to: (i) cooperate in relation to obtaining any consents, clearances, permissions, waivers and/or approvals as may be necessary, and the making of all filings as may be necessary, from or under the law, regulations or practices applied by any applicable regulatory authority in connection with the Acquisition; and (ii) cooperate in preparing and implementing appropriate proposals in relation to the Signature Share Plans. In addition, Bidco has agreed to certain provisions if the Scheme should switch

to a Takeover Offer. The Cooperation Agreement will terminate in certain circumstances, including if the Acquisition is withdrawn, terminated or lapses, a competing offer completes, becomes effective or is declared unconditional, or if prior to the Long Stop Date any Condition has been invoked by Bidco, if the Signature Directors withdraw their recommendation of the Cash Offer or if the Scheme does not become effective in accordance with its terms by the Long Stop Date or otherwise as agreed between Bidco and Signature. Pursuant to the terms of the Cooperation Agreement, Bidco undertakes that it will deliver a notice in writing to Signature on the Business Day prior to the Court Hearing confirming either: (i) the satisfaction or waiver of the Conditions; or (ii) to the extent permitted by the Panel, that it intends to invoke or treat as unsatisfied or incapable of satisfaction one or more Conditions.

13 Structure of and Conditions to the Acquisition

Structure

It is intended that the Acquisition shall be effected by means of a Court-approved scheme of arrangement between Signature and the Scheme Shareholders under Part 26 of the Companies Act.

The purpose of the Scheme is to provide for Bidco to become the holder of the entire issued and to be issued ordinary share capital of Signature. This is to be achieved by the transfer of the Scheme Shares to Bidco, in consideration for which the Scheme Shareholders shall receive the cash consideration due under the Cash Offer on the basis set out in paragraph 2 of this announcement, to be effected in accordance with the Scheme.

The Acquisition relates only to the Signature Shares and does not include the acquisition of the Signature Preference Shares. Bidco intends to make an appropriate proposal to the holders of the Signature Preference Shares in due course. Signature has confirmed that no amount of dividend on the Signature Preference Shares is outstanding or in arrears and that the Signature Preference Shares therefore currently carry no right to receive notice of or attend or vote at the Court Meeting or any general meeting of Signature, including the General Meeting.

Conditions to the Acquisition

The Acquisition shall be subject to the Conditions and further terms set out below and in Appendix I to this announcement and to be set out in the Scheme Document and shall only become Effective, if, among other things, the following events occur on or before the Long Stop Date or such later date as may be agreed by Bidco and Signature (with the Panel's consent and as the Court may approve (if such approval(s) are required)):

- (i) the approval of the Scheme by a majority in number of the Scheme Shareholders who are present and vote, whether in person or by proxy, at the Court Meeting and who represent at least 75 per cent. in value of the Scheme Shares voted by those Scheme Shareholders;
- (ii) the resolutions required to approve and implement the Scheme being duly passed by Signature Shareholders representing at least 75 per cent. of votes cast at the General Meeting (or any adjournment thereof);
- (iii) the approval of the Scheme by the Court (with or without modification but subject to any modification being on terms acceptable to Signature and Bidco);

- (iv) the delivery of a copy of the Court Order to the Registrar of Companies;
- (v) the receipt or waiver of anti-trust clearances in Germany, Ireland and the US and foreign investment clearances in France, Germany and, to the extent applicable, the UK; and
- (vi) satisfaction or (where applicable) waiver of the other Conditions listed in Appendix I to this announcement.

The Scheme shall lapse if:

- (i) the Court Meeting and the General Meeting are not held on or before the 22nd day after the expected date of such Court Meeting and General Meeting to be set out in the Scheme Document in due course (or such later date (if any) as may be agreed between Bidco and Signature, and, if required, the Court may allow);
- (ii) the Court Hearing is not held on or before the 22nd day after the expected date of the Court Hearing to be set out in the Scheme Document in due course (or such later date (if any) as may be agreed by Bidco and Signature and, if required, the Court may allow); or
- (iii) the Scheme does not become Effective by the Long Stop Date,

provided, however, that the deadlines for the timing of the Court Meeting, the General Meeting and the Court Hearing as set out above may be waived by Bidco, and the deadline for the Scheme to become Effective may be extended by agreement between Signature and Bidco.

Upon the Scheme becoming Effective, (i) it shall be binding on all Signature Shareholders, irrespective of whether or not they attended or voted at the Court Meeting or the General Meeting and, if they attended and voted, whether or not they voted in favour of or against the resolutions proposed at those meetings; and (ii) share certificates in respect of Signature Shares will cease to be valid and entitlements to Signature Shares held within the CREST system will be cancelled.

Further details of the Scheme, including the indicative timetable for its implementation, will be set out in the Scheme Document which is expected to be despatched to Signature Shareholders as soon as reasonably practicable, and in any event within 28 days of the date of this announcement (unless the Panel consents to a later date). The Court Meeting and the General Meeting are expected to be held in March 2021.

Right to switch to a Takeover Offer

Bidco reserves the right, in accordance with the Co-operation Agreement and subject to the prior consent of the Panel, to elect to implement the Acquisition by way of a Takeover Offer for Signature Shares as an alternative to the Scheme. In such event, such Takeover Offer will (unless otherwise consented to by Signature or required by the Panel) be implemented on the same terms and conditions (subject to appropriate amendments, including an acceptance condition set at 75 per cent. of Signature Shares to which the Takeover Offer relates (or such lesser percentage, being more than 50 per cent., as Bidco may decide, of the voting rights then exercisable at a general meeting of Signature)) as those which would apply to the Scheme.

14 De-listing and re-registration

Prior to the Scheme becoming Effective, Signature shall make an application for the cancellation of trading of the Signature Shares and the Signature Preference Shares on the Main Market of the London Stock Exchange for listed securities and for the cancellation of the listing of the Signature Shares and the Signature Preference Shares on the Official List. The last day of dealings in Signature Shares and Signature Preference Shares on the Main Market of the London Stock Exchange is expected to be the Business Day immediately prior to the Effective Date.

On the Effective Date, share certificates in respect of Signature Shares shall cease to be valid and entitlements to Signature Shares held within the CREST system shall be cancelled.

Bidco intends, following the Effective Date, to re-register Signature as a private company under the relevant provisions of the Companies Act.

The Acquisition relates only to the Signature Shares and does not include the acquisition of the Signature Preference Shares. Bidco intends to make an appropriate proposal to the holders of the Signature Preference Shares in due course.

15 Dividends

If any dividend and/or other distribution and/or other return of capital is proposed, announced, authorised, declared, made, paid or becomes payable by Signature in respect of Signature Shares on or after the date of this announcement and before the Scheme becomes Effective, Bidco reserves the right to reduce the Cash Offer by an amount equal to the aggregate amount of such dividend and/or other distribution and/or other return of capital, as applicable, in which case the relevant eligible Signature Shareholders will be entitled to receive and retain such dividend and/or distribution.

If any such dividend, other distribution or other return of capital is paid or made by Signature after the date of this announcement and Bidco exercises its rights described above, any reference in this announcement to the Cash Offer payable under the Scheme shall be deemed to be a reference to the consideration as so reduced. Any exercise by Bidco of its rights referred to in this paragraph shall be the subject of an announcement and, for the avoidance of doubt, shall not be regarded as constituting any revision or variation of the terms of the Scheme.

16 Disclosure of Interests in Signature

Save in respect of the irrevocable undertakings referred to in paragraph **Error! Reference source not found.** above and as disclosed below, as at the close of business on 8 January 2021 (the last Business Day prior to the date of this announcement) neither Bidco, nor any of its directors, nor, so far as Bidco is aware, any person acting in concert (within the meaning of the Takeover Code) with it has (i) any interest in or right to subscribe for any relevant securities of Signature; (ii) any short positions in respect of relevant Signature Shares (whether conditional or absolute and whether in the money or otherwise), including any short position under a derivative, any agreement to sell or any delivery obligation or right to require another person to purchase or take delivery; (iii) any dealing arrangement of the kind referred to in Note 11 on the definition of acting in concert in the Takeover Code, in relation to Signature Shares or in relation to any securities convertible or exchangeable into Signature Shares; nor (iv) borrowed or lent any relevant Signature Shares (including, for these

purposes, any financial collateral arrangements of the kind referred to in Note 4 on Rule 4.6 of the Takeover Code), save for any borrowed shares which had been either on-lent or sold.

Name	Nature of Interest	Number of Signature Shares
UBS Financial Services, Inc.	Interest in securities	69

'Interests in securities' for these purposes arise, in summary, when a person has long economic exposure, whether absolute or conditional, to changes in the price of securities (and a person who only has a short position in securities is not treated as interested in those securities). In particular, a person shall be treated as having an 'interest' by virtue of the ownership, voting rights or control of securities, or by virtue of any agreement to purchase, option in respect of, or derivative referenced to, securities.

17 General

The Acquisition is subject to, inter alia, the satisfaction or waiver (if applicable) of the Conditions set out in Appendix I to this announcement. The Acquisition is also subject to the further terms set out in Appendix I to this announcement and to the full terms and Conditions which will be set out in the Scheme Document. Appendix II to this announcement contains the sources and bases of certain information contained in this summary and the following announcement. Appendix III to this announcement contains details of the irrevocable undertakings received by Bidco. Appendix IV to this announcement contains the definitions of certain terms used in this summary and the following announcement.

It is expected that the Scheme Document, the Forms of Proxy and Form of Election accompanying the Scheme Document will be published as soon as reasonably practicable and, in any event (save with the consent of the Panel) within 28 days of this announcement. The Scheme Document, Forms of Proxy and Form of Election shall be made available to all Signature Shareholders at no charge to them.

UBS (as Bidco's financial adviser) and J.P. Morgan Cazenove and Jefferies (as Signature's financial advisers) have each given and not withdrawn their consent to the publication of this announcement with the inclusion herein of the references to their names in the form and context in which they appear.

Further Information

This announcement is for information purposes only and is not intended to and does not constitute or form part of an offer or inducement to sell or an invitation to purchase, otherwise acquire, subscribe for, sell or otherwise dispose of, any securities or the solicitation of an offer to buy any securities, any vote or approval in any jurisdiction pursuant to the Acquisition or otherwise.

The Acquisition will be made solely by means of the Scheme Document (or, if the Acquisition is implemented by way of a Takeover Offer, any document by which the Takeover Offer is made) which, together with the Forms of Proxy and Form of Election (or forms of acceptance), will contain the full terms and conditions of the Acquisition, including details of how to vote in respect of the Acquisition.

This announcement has been prepared for the purpose of complying with English law and the Takeover Code and the information disclosed may not be the same as that which would have been disclosed if this announcement had been prepared in accordance with the laws of jurisdictions outside England.

Signature and Bidco shall prepare the Scheme Document to be distributed to Signature Shareholders. Signature and Bidco urge Signature Shareholders to read the Scheme Document when it becomes available because it will contain important information relating to the Acquisition.

This announcement is an advertisement and not a prospectus or a prospectus exempt document.

Overseas Shareholders

The release, publication or distribution of this announcement in or into certain jurisdictions other than the United Kingdom may be restricted by law. Persons who are not resident in the United Kingdom or who are subject to the laws of other jurisdictions should inform themselves of, and observe, any applicable requirements.

Unless otherwise determined by Bidco or required by the Takeover Code, and permitted by applicable law and regulation, the Acquisition shall not be made available, directly or indirectly, in, into or from a Restricted Jurisdiction where to do so would violate the laws in that jurisdiction and no person may vote in favour of the Acquisition by any such use, means, instrumentality or form within a Restricted Jurisdiction or any other jurisdiction if to do so would constitute a violation of the laws of that jurisdiction. Accordingly, copies of this announcement and all documents relating to the Acquisition are not being, and must not be, directly or indirectly, mailed or otherwise forwarded, distributed or sent in, into or from a Restricted Jurisdiction where to do so would violate the laws in that jurisdiction, and persons receiving this announcement and all documents relating to the Acquisition (including custodians, nominees and trustees) must not mail or otherwise distribute or send them in, into or from such jurisdictions where to do so would violate the laws in that jurisdiction.

The availability of the Acquisition to Signature Shareholders who are not resident in and citizens of the United Kingdom may be affected by the laws of the relevant jurisdictions in which they are resident or of which they are citizens. Persons who are not resident in the United Kingdom should inform themselves of, and observe, any applicable requirements.

The Acquisition shall be subject to the applicable requirements of the Takeover Code, the Panel, the London Stock Exchange and the Financial Conduct Authority.

Additional information for US investors

The Acquisition relates to shares of an English incorporated company and is proposed to be effected by means of a scheme of arrangement under the laws of England and Wales. A transaction effected by means of a scheme of arrangement is not subject to the tender offer rules or the proxy solicitation rules under the US Securities Exchange Act of 1934 (the "US Exchange Act").

Accordingly, the Acquisition is subject to the disclosure and procedural requirements applicable in the United Kingdom to schemes of arrangement which differ from the disclosure requirements of the United States tender offer and proxy solicitation rules.

However, if Bidco were to elect to implement the Acquisition by means of a Takeover Offer, such Takeover Offer would be made in compliance with all applicable United States laws and regulations, including any applicable exemptions under the US Exchange Act. Such a Takeover Offer would be made in the United States by Bidco and no one else.

In the event that the Acquisition is implemented by way of a Takeover Offer, in accordance with normal United Kingdom practice, Bidco or its nominees, or its brokers (acting as agents), may from time to time make certain purchases of, or arrangements to purchase, shares or other securities of Signature outside of the US, other than pursuant to such Takeover Offer, during the period in which such Takeover Offer would remain open for acceptances. These purchases may occur either in the open market at prevailing prices or in private transactions at negotiated prices. Any information about such purchases or arrangements to purchase shall be disclosed as required in the UK, shall be reported to a Regulatory Information Service and shall be available on the London Stock Exchange website at www.londonstockexchange.com.

The receipt of consideration by a US holder for the transfer of its Signature Shares pursuant to the Scheme shall be a taxable transaction for United States federal income tax purposes. Each Signature Shareholder is urged to consult their independent professional adviser immediately regarding the tax consequences of the Acquisition applicable to them, including under applicable United States state and local, as well as overseas and other, tax laws.

Financial information relating to Signature included in this announcement and the Scheme Document has been or shall have been prepared in accordance with accounting standards applicable in the United Kingdom and may not be comparable to the financial information of US companies or companies whose financial statements are prepared in accordance with generally accepted accounting principles in the United States.

Signature is organised under the laws of England and Wales and Bidco is organised under the laws of Delaware. Some or all of the officers and directors of Bidco and Signature, respectively, are residents of countries other than the United States. In addition, some of the assets of Bidco and Signature are located outside the United States. As a result, it may be difficult for US shareholders of Signature to effect service of process within the United States upon Bidco or Signature or their respective officers or directors or to enforce against them a judgment of a US court predicated upon the securities laws of the United Kingdom.

Forward looking statements

This announcement (including information incorporated by reference in this announcement), oral statements made regarding the Acquisition, and other information published by Signature, Bidco, any member of the Signature Group, any member of GIP or any member of the Bidco Group contain statements which are, or may be deemed to be, "forward looking statements". Such forward looking statements are prospective in nature and are not based on historical facts, but rather on current expectations and on numerous assumptions regarding the business strategies and the environment in which Signature, Bidco, any member of the Signature Group or any member of the Bidco Group shall operate in the future and are subject to risks and uncertainties that could cause actual results to differ materially from those expressed or implied by those statements.

The forward looking statements contained in this announcement include statements relating to Bidco, Signature or any member of the Bidco Group's, or any member of the Signature Group's, future prospects, developments and business strategies, the expected timing and scope of the Acquisition and other statements other than historical facts. In some cases, these forward looking statements can be identified by the use of forward looking terminology, including the terms "anticipates", "believes", "estimates", "will look to", "would look to", "plans", "prepares", "anticipates", "expects", "is expected to", "is subject to", "budget", "scheduled", "forecasts", "synergy", "strategy", "goal", "cost-saving", "projects" "intends", "may", "might", "could", "will", "would", "shall" or "should" or their negatives or other variations or comparable terminology. Forward looking statements may include statements relating to the following: (i) future capital expenditures, expenses, revenues, earnings, synergies, economic performance, indebtedness, financial condition, dividend policy, losses and future prospects; (ii) business and management strategies and the expansion and growth of Bidco's, Signature's, any member of the Bidco Group's or any member of Signature Group's operations and potential synergies resulting from the Acquisition; and (iii) the effects of global economic conditions and governmental regulation on Bidco's, Signature's, any member of the Bidco Group's or any member of the Signature Group's business.

By their nature, forward-looking statements involve risk and uncertainty because they relate to events and depend on circumstances that will occur in the future. These events and circumstances include, but are not limited to: the ability to complete the Acquisition; the ability to obtain requisite

regulatory and shareholder approvals and the satisfaction of other Conditions on the proposed terms and schedule; changes in the global political, economic, business and competitive environments and in market and regulatory forces; future exchange and interest rates; changes in tax rates; and future business combinations or disposals. If any one or more of these risks or uncertainties materialises or if any one or more of the assumptions proves incorrect, actual results may differ materially from those expected, estimated or projected. Such forward looking statements should therefore be construed in the light of such factors.

Neither Signature, or any member of the Signature Group, nor Bidco, or any member of the Bidco Group, nor any of their respective associates or directors, officers or advisers, provides any representation, assurance or guarantee that the occurrence of the events expressed or implied in any forward-looking statements in this announcement shall actually occur. Given these risks and uncertainties, potential investors should not place any reliance on forward looking statements.

Specifically, statements of estimated cost savings and synergies related to future actions and circumstances which, by their nature, involve risks, uncertainties and contingencies. As a result, the cost savings and synergies referred to may not be achieved, may be achieved later or sooner than estimated, or those achieved could be materially different from those estimated. Due to the scale of the Signature Group, there may be additional changes to the Signature Group's operations. As a result, and given the fact that the changes relate to the future, the resulting cost synergies may be materially greater or less than those estimated.

The forward-looking statements speak only at the date of this announcement. All subsequent oral or written forward-looking statements attributable to any member of the Bidco Group or Signature Group, or any of their respective associates, directors, officers, employees or advisers, are expressly qualified in their entirety by the cautionary statement above.

Signature, Bidco, the Signature Group and the Bidco Group expressly disclaim any obligation to update such statements other than as required by law or by the rules of any competent regulatory authority, whether as a result of new information, future events or otherwise.

No profit forecasts or estimates

No statement in this announcement is intended as a profit forecast or estimate for any period and no statement in this announcement should be interpreted to mean that earnings or earnings per share for Bidco or Signature, as appropriate, for the current or future financial years would necessarily match or exceed the historical published earnings or earnings per share for Bidco or Signature, as appropriate.

Disclosure requirements of the Takeover Code

Under Rule 8.3(a) of the Takeover Code, any person who is interested in 1 per cent. or more of any class of relevant securities of an offeree company or of any securities exchange offeror (being any offeror other than an offeror in respect of which it has been announced that its offer is, or is likely to be, solely in cash) must make an Opening Position Disclosure following the commencement of the offer period and, if later, following the announcement in which any securities exchange offeror is first identified. An Opening Position Disclosure must contain details of the person's interests and short positions in, and rights to subscribe for, any relevant securities of each of (i) the offeree company and (ii) any securities exchange offeror(s). An Opening Position Disclosure by a person to whom Rule 8.3(a) applies must be made by no later than 3.30 pm (London time) on the 10th Business Day following the commencement of the offer period and, if appropriate, by no later than 3.30 pm (London time) on the 10th Business Day following the announcement in which any securities exchange offeror is first identified. Relevant persons who deal in the relevant securities of the offeree company

or of a securities exchange offeror prior to the deadline for making an Opening Position Disclosure must instead make a Dealing Disclosure.

Under Rule 8.3(b) of the Takeover Code, any person who is, or becomes, interested in 1 per cent. or more of any class of relevant securities of the offeree company or of any securities exchange offeror must make a Dealing Disclosure if the person deals in any relevant securities of the offeree company or of any securities exchange offeror. A Dealing Disclosure must contain details of the dealing concerned and of the person's interests and short positions in, and rights to subscribe for, any relevant securities of each of (i) the offeree company and (ii) any securities exchange offeror, save to the extent that these details have previously been disclosed under Rule 8. A Dealing Disclosure by a person to whom Rule 8.3(b) applies must be made by no later than 3.30 pm (London time) on the Business Day following the date of the relevant dealing.

If two or more persons act together pursuant to an agreement or understanding, whether formal or informal, to acquire or control an interest in relevant securities of an offeree company or a securities exchange offeror, they will be deemed to be a single person for the purpose of Rule 8.3.

Opening Position Disclosures must also be made by the offeree company and by any offeror and Dealing Disclosures must also be made by the offeree company, by any offeror and by any persons acting in concert with any of them (see Rules 8.1, 8.2 and 8.4).

Details of the offeree and offeror companies in respect of whose relevant securities Opening Position Disclosures and Dealing Disclosures must be made can be found in the Disclosure Table on the Panel's website at <http://www.thetakeoverpanel.org.uk>, including details of the number of relevant securities in issue, when the offer period commenced and when any offeror was first identified. If you are in any doubt as to whether you are required to make an Opening Position Disclosure or a Dealing Disclosure, you should contact the Panel's Market Surveillance Unit on +44 (0)20 7638 0129.

Electronic communications

Please be aware that addresses, electronic addresses and certain information provided by Signature Shareholders, persons with information rights and other relevant persons for the receipt of communications from Signature may be provided to Bidco during the Offer Period as requested under Section 4 of Appendix 4 to the Takeover Code to comply with Rule 2.11(c) of the Takeover Code.

Part B: Certain further terms of the Acquisition

- 1** Each of the Conditions shall be regarded as a separate Condition and shall not be limited by reference to any other Condition.
- 2** Subject to the requirements of the Panel, Bidco reserves the right in its sole discretion to waive:
 - (i) the deadline set out in paragraph 1 of Part A of this Appendix I, and any of the deadlines set out in paragraph 2 of Part A of this Appendix I for the timing of the Court Meeting, General Meeting and the Court Hearing. If any such deadline is not met, Bidco shall make an announcement by 8.00 a.m. on the Business Day following such deadline confirming whether it has invoked or waived the relevant Condition or agreed with Signature to extend the deadline in relation to the relevant Condition; and
 - (ii) in whole or in part, all or any of the above Conditions listed in paragraph 3 of Part A of this Appendix I.
- 3** If Bidco is required by the Panel to make an offer for Signature Shares under the provisions of Rule 9 of the Takeover Code, Bidco may make such alterations to any of the above Conditions and terms of the Acquisition as are necessary to comply with the provisions of that Rule.
- 4** The Scheme shall not become Effective if:
 - (i) in so far as the Acquisition or any matter arising from or relating to the Scheme or Acquisition constitutes a concentration with a Community dimension within the scope of the Regulation, the European Commission either initiates proceedings under Article 6(1)(c) of the Regulation or makes a referral to a competent authority in the United Kingdom under Article 9(1) of the Regulation and there is then a CMA Phase 2 Reference; or
 - (ii) the Acquisition or any matter arising from or relating to the Scheme or Acquisition otherwise becomes subject to a CMA Phase 2 Reference,

in each case, before the date of the Court Meeting.

- 5** Bidco shall be under no obligation to waive (if capable of waiver), to determine to be or remain satisfied or to treat as fulfilled any of Conditions listed in paragraph 3 of Part A of this Appendix I by a date earlier than the latest date for the fulfilment of that Condition notwithstanding that the other Conditions of the Acquisition may at such earlier date have been waived or fulfilled and that there are at such earlier date no circumstances indicating that any of such Conditions may not be capable of fulfilment.
- 6** Signature Shares acquired under the Acquisition shall be acquired fully paid and free from all liens, equities, charges, encumbrances, options, rights of pre-emption and any other third party rights and interests of any nature and together with all rights now or hereafter attaching or accruing to them, including, without limitation, voting rights and the right to receive and retain in full all dividends and other distributions (if any) declared, made or paid, or any other return of value (whether by reduction of share capital or share premium account or otherwise) made, on or after the date of this announcement.
- 7** If, on or after the date of this announcement and prior to the Scheme becoming Effective, any dividend, distribution or other return of value is declared, paid or made or becomes payable by Signature and with a record date prior to the Scheme becoming Effective, Bidco reserves the right (without prejudice to any right of Bidco, with the consent of the Panel, to invoke the Condition set out in paragraph 3(I)(i) of Part A of this Appendix I) to reduce the Cash Offer payable under the Acquisition to reflect the aggregate amount of such dividend, distribution or other return of value or excess. In such circumstances, Signature Shareholders would be entitled to retain any such dividend, distribution or other return of value declared, made or paid.
- If and to the extent that any such dividend, distribution or other return of value is paid or made on or prior to the Scheme becoming Effective, and Bidco exercises its rights under this paragraph 7 to reduce the Cash Offer payable under the Acquisition, any reference in this announcement to the consideration payable under the terms of the Acquisition shall be deemed to be a reference to the Cash Offer as so reduced.
- If and to the extent that any such dividend, distribution or other return of value has been declared or announced but not paid or made or is not payable by reference to a record date on or prior to the Scheme becoming Effective or is (i) transferred pursuant to the Acquisition on a basis which entitles Bidco to receive the dividend, distribution or other return of value and to retain it; or (ii) cancelled, the Cash Offer payable under the terms of the Acquisition shall not be subject to change in accordance with this paragraph 7.
- Any exercise by Bidco of its rights referred to in this paragraph 7 shall be the subject of an announcement and, for the avoidance of doubt, shall not be regarded as constituting any revision or variation of the Acquisition.
- 8** Bidco reserves the right to elect (in accordance with the terms of the Co-operation Agreement and with the consent of the Panel) to implement the Acquisition by way of a Takeover Offer for Signature Shares as an alternative to the Scheme. In such event, the Takeover Offer shall be implemented on the same terms, so far as applicable, as those which would apply to the Scheme, subject to appropriate amendments, including (without limitation) an acceptance condition set at 75 per cent. (or such lesser percentage, being more than 50 per cent. of the voting rights then exercisable at a general meeting of

Signature, as Bidco may decide or as required by the Panel), of the shares to which such Takeover Offer relates.

- 9** The availability of the Acquisition to persons not resident in the United Kingdom may be affected by the laws of the relevant jurisdictions. Persons who are not resident in the United Kingdom should inform themselves about and observe any applicable requirements.
- 10** The Acquisition is not being made, directly or indirectly, in, into or from, or by use of the mails of, or by any means of instrumentality (including, but not limited to, facsimile, e-mail or other electronic transmission, telex or telephone) of interstate or foreign commerce of, or of any facility of a national, state or other securities exchange of, any jurisdiction where to do so would violate the laws of that jurisdiction.
- 11** The Acquisition is governed by English law and is subject to the jurisdiction of the English courts and to the Conditions and further terms set out in this Appendix I and to be set out in the Scheme Document. The Acquisition shall be subject to the applicable requirements of the Takeover Code, the Panel, the Listing Rules, the London Stock Exchange and the Financial Conduct Authority.
- 12** Under Rule 13.5(a) of the Takeover Code, Bidco may not invoke a Condition to the Acquisition so as to cause the Acquisition not to proceed, to lapse or to be withdrawn unless the circumstances which give rise to the right to invoke the Condition are of material significance to Bidco in the context of the Acquisition. The Conditions listed in paragraph 2 of Part A of this Appendix I are not subject to this provision of the Takeover Code.
